Lakefront Real Estate

RE/MAX
Town & Valley II

Luxurious lake front with level property, designer kitchen, 3 bathrooms, energy efficient solar panels and much more!

Jefferson Twp., NJ 07850

MLS: 3957262

Price: \$899,000

Style: Lakestyle

Bedrooms: 3

Bathrooms: 3 Full

Garage: 1 Detached

This spotless lake front was recently remodeled both inside and out and it shows beautifully. You'll love the interior featuring a light and bright kitchen, wood floors and a fireplace in the family room. And with the open floor plan you can enjoy the fire from the family room, the living room, the dining room and the kitchen. Natural light flows through many large windows and the long lake views are wonderful. There are three bedrooms and three full baths including a first floor bedroom and a second floor master suite. The ceiling in this suite is 12 feet high and the views from the private deck are gorgeous. Everyone loves level property and that's what you have here. The lake is only a few easy steps away so you won't be huffing and puffing when you want to enjoy the water. Isn't that nice! Both decks and both docks have composite surfaces and they're so comfortable when you're not wearing shoes. Mechanical upgrades include windows, vinyl siding, roof, septic system and lakeside hot tub. The owners even installed solar panels and an energy efficient heat pump heating and cooling system to be environmentally friendly. In addition there is a garage, a car port and two paver driveways providing off street parking for 5 or 6 cars. Contact Chris Edwards now to schedule an appointment to see this move-in condition, spotless home. You'll be glad you did.

Spotless, updated lake front with level property

This home was extensively updated a few years ago and shows beautifully.

Lakeside patio

Level property is great. No huffing and puffing here!

Family room

Large windows and custom blinds allow natural light to flow inside.

Custom kitchen

It's bright with lots of cabinets and counter space and great views of the water.

Living room and dining room

The open concept is great for entertaining. French doors open to the deck.

Wow!

This photo was taken from inside the dining room.

“Resort like” amenities

Imagine relaxing in the hot tub with a view like this.

Master suite

Wood floors and high ceilings add to the appeal.

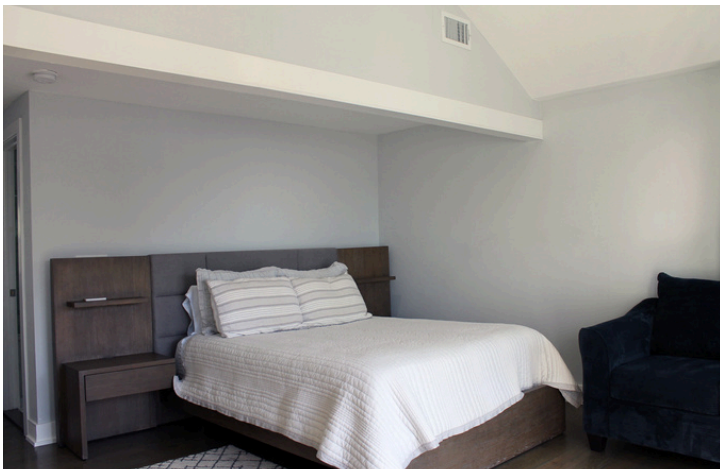

Wall to wall glass

French doors open to the private balcony.

Master suite view

You may not want to go to sleep with a view as nice as this one.

So much space

A king size bed, dressers and loveseat create a peaceful ambiance.

Master bath

Dual vanity sinks make it easy to get ready in the morning.

Walk-in shower

The large glass enclosed shower is another one of the desirable features.

Guest bedroom

Friends will love staying overnight here.

Guest bedroom view

You'll enjoy great views of the water from almost everywhere inside this gorgeous home.

Overnight guests?

They'll all have a cozy place to spend the night.

Garage and car port

This is one of two paver driveways for off street parking.

Energy saving solar panels

The owners recently installed solar panels and energy efficient heat pump heating and cooling to be environmentally friendly.

Let's have fun

Two docks, two decks, a hot tub and level property with plenty of room for water toys make this lake front home special in so many ways.

Peaceful setting with long views

The main lake is just a few minutes away from this quiet, no wake zone cove. It's perfect for kayaking and paddle boarding.
